Live more beautifully in a luxury flat with a great terrace

Our discerning clients will feel at home in this luxury flat with 125 sqm of living space and a large terrace with a sunny garden. The 50 sqm living area is the focal point of the flat. Large floor-to-ceiling windows let in plenty of light and you have a wonderful view of the terrace and garden. You can enjoy the room in a comfortable sofa and armchairs - the TV with entertainment package (Magenta TV and Amazon Prime) offers variety. A large, solid wooden table with space for up to 6 people adjoins the living area and flows smoothly into the modern and excellently equipped kitchen (dishwasher, blender, milk frother, wine fridge) with comfortable kitchen island. The bedroom leaves nothing to be desired: a comfortable double bed offers pleasant sleep. An en-suite shower room and a dressing room complete the private area. A bright and fully furnished office is available for your home office. The highlight is the beautiful terrace and the garden, which is at your disposal (barbecue included). If you wish, you can store bicycles in a garage. A jewel for our guests who value an upscale environment and do not want to miss any comfort during a longer stay. The comfort is rounded off with the 14-day cleaning service.
