Stylish apartment shines after complete renovation

This attractive 65 sqm apartment has now been completely renovated and tastefully and trendily furnished. The living room has a comfortable sofa that can be converted into another bed if required. A small dining bar offers the opportunity for communal meals. A passageway connects the kitchen with the living area, creating a generous amount of space. The kitchen itself is equipped to a high standard and offers everything you need for self-catering: complete basic equipment, a dishwasher and a washing machine. The two bedrooms are individually and charmingly furnished: One has a comfortable double bed and an open wardrobe concept. The second bedroom has two single beds, which can also be arranged as a double bed. The shower room is also new. This great apartment is rounded off with a balcony. A real feel-good apartment – suitable for 2 people for long-term stays and for up to 5 people for shorter periods.
