Bright, friendly and central home

One to two people can feel at home in this modern, freshly renovated and completely refurbished flat, even in the long term. We particularly like the good room layout: There is a cosy sofa in the living room, which offers comfortable accommodation for one or two more guests if required. The large kitchen is equipped with a new kitchenette and a dining area with space for up to four people invites you to cook and socialise together. The bedroom has a comfortable double bed (1.80m x 2.00m) and a large wardrobe offers plenty of storage space. The furnishings are fresh and neat and are rounded off by a modern shower room, which is equipped with its own washing machine.

Location and area

The apartment is located in Essen-Frohnhausen, close to the city centre. All shops for daily needs are within walking distance. The car can be parked in the street in public parking spaces without any problems and free of charge. The A-40 motorway can be reached quickly and thus all destinations within and outside Essen. After a few minutes' walk, all public transport options are available and connect the apartment to the city centre in less than 10 minutes (trade fair: 15 minutes).
