Well-maintained apartment – central location

In the charming and renovated house in Altenessen Süd, this business apartment for one or two people impresses with its furnishings, location and a very good price. The living room / bedroom has a cosy, comfortable bed (1.40mx 2m), a small seating area and a work area with a desk and TV. The new bathroom has a modern shower and the separate kitchen is ideal for preparing small meals. A bistro counter with two dining areas is also available. If necessary, the offer can be supplemented with an extra bed. The comfortable furnishings, good location and an inviting inner courtyard make the compact studio a great choice – even for a longer stay.

Location and area

The apartment is located in a renovated house near the city centre (3.5 km), the university, the exhibition centre and the newly emerging “Essen 51” district. Altenessen train station is only a 5-minute walk away. From there, the U-Bahn and S-Bahn connect to all central destinations in the city in just a few minutes (main train station and city centre in approx. 10 minutes, exhibition centre in approx. 20 minutes). By car – which can be parked free of charge in the quiet residential street – you can get to the city centre in a good 10 minutes. The central motorways of the Ruhr area are also very easy to reach. A new shopping centre with all shops for your daily needs is within walking distance (5 minutes on foot). All in all, an ideal location for those who want to live in a quiet yet central location.
