Stylish apartment with a fantastic terrace

Discerning guests can feel at home in this extraordinary apartment. You will find all the comforts for a long-term stay in the spacious room layout and tasteful furnishings. The ground floor apartment has a separate bedroom with a double bed. In the open living area there is also a fold-away bed (1.40 x 2.00) so up to four people can stay overnight. The kitchen has all appliances (including a dishwasher) and basic kitchenware for four people. A cosy dining table and a sofa corner complete the picture. In addition to the large bathroom with shower and bathtub, there is also a guest toilet. The highlight, however, is definitely the unusually large terrace with a view of the green, well-tended garden. With a large dining area, additional lounge furniture and deck chairs and professional grill, the terrace is like a second living room in the summer.
