Newly renovated: Cosy, bright attic apartment

The bright apartment has a particularly cosy flair thanks to its roof beams. The open living-dining area has just been renovated and offers plenty of space with an inviting couch, armchair and dining area for four people. There is a bathroom with shower and the kitchenette integrated in the living-dining area is fully equipped. The bedroom has a double bed measuring 1.60 x 2.00 m. There is also a fold-away bed (0.90 x 1.90 m) in the living room for a 3rd person if needed.

Location and area

The apartment is located in an apartment building in the heart of the old town of Essen-Steele. Shops, stores and restaurants are within walking distance. The A40 motorway is only around 2.5 km away. The connection to public transport is also very good. The Steele S-Bahn station is just a 10-minute walk away. From there you can ride to Essen main train station in just a few minutes. It takes about 15 minutes to get to the city centre by car. The 166 bus stops in the immediate vicinity of the property. In addition to public parking spaces, there is a parking garage directly opposite.
