

ZEITQUARTIER EXPOSÉ

Hideaway with fireplace and several terraces

The apartment, which is furnished in a mix of classic and modern, meets all the requirements for sophisticated living: Furniture, beds, a perfectly equipped kitchen and the bathroom leave nothing to be desired and are particularly great for a longer stay. In addition to the large master bedroom, there is a second small bedroom with a single bed – so the apartment is suitable for 2-3 people or a family. The fireplace and the surrounding terraces underline the very special character of this apartment. In addition, the exclusive location is in a quiet, well-kept residential street – privacy and a free parking space in front of the house are guaranteed.

Location and area

The apartment is located in a quiet side street in Essen-Kray. It is very green all around, but the apartment is also very central. You can walk to the bus within 1 min., and the Messe exhibition centre can be reached by car in just 10 minutes. You can get groceries in the nearby centre.
